

CHANGES TO FUNDING FROM 1 AUGUST 2019

From 1 August 2019, the yearly tuition fee will be covered in full, for eligible students living in the UK/EU, via student finance. Applicants may also qualify for a maintenance loan to help with the day-to-day living costs. For students living in Scotland and wishing to study at SAE Glasgow, there may be partial funding available to eligible students from the Student Awards Agency for Scotland.

Students studying on higher education courses may be eligible for various forms of funding, including student loans and grants. There may be some differences depending on the region you come from. See the 'Student Tuition Fee Loan' tab on the left hand side for more information.

If you are an international student and require a Tier 4 Visa, you will need to pay the first year fees in full before a CAS (Confirmation of Acceptance for Studies) is issued.
